What a success!

Ju Ching Chu Secondary School

In April and May, a large project was held at Ju Ching Chu Secondary School. We provided a series of English programmes for S.1 to S.3 students. **43** Headstart NETs participated in this project.

"What a wonderful experience! I witnessed the importance of being able to think on your feet. I was creative and I improvised. I was successful in delivering a very fun, engaging and rewarding learning experience to all my students."
NET - Shubham KUMAR (Troy)

"This project was great fun for everybody. We played a lot of interesting and active games. Students were highly motivated to participate and engage in the whole project. My best project so far!"
NET - Grishma Pachchigar
