Phoebe, Head of TRA - Canada 🇨🇦 Bound

Phoebe is moving back to Canada.

She has been instrumental in systemising TRA's workflow, building bonds with NETs and growing the department. We shall miss her so much.

But wait, with today's technology, Phoebe can still be with us, though not physically. She will still be part of the team, only across the Pacific Ocean. You will continue to hear from her.

Just call us on the TRA number 9868 1732, we are here to serve you.
