Hear from our teacher

Vicente Fonte

As a NET Teacher with Headstart Group for 4 years, I have been fortunate to be given opportunities to teach different areas of English to primary and secondary school students. At the start of my teaching career, Headstart gave me a platform to develop my passion in teaching and to master my craft. I am always given full support, from teaching resources, teacher training to operational logistics. Headstart treats me professionally and with compassion.

I am super thankful for my time with Headstart which has opened many doors for me as I move on to pursue teaching full time in a prestigious local school.
